

Song La Isla Bonita

Listen and circle the correct word in every pair.

Last night I dreamt of San/Saint Pedro

Just like I'd never gone, I know/knew the song

A young men/boy with eyes like the desert

It all seems like yesterday, not far away/way

Tropical the iceland/island breeze

All of the nature wild and free

This is where I want/long to be

La isla bonita

And when the rumba/samba played

The sun would set so high

Ring through my/your ears and sting my/your eyes

Your Spanish lullaby

I fell in/to love with San/Saint Pedro

Warm and carried on the sea/sun, he called to me

„Te dijo te amo“

I prayed that the days/plays would last

They went so quick/fast

Tropical the iceland/island breeze....

I want to be where the sun warms the sea/sky

When it's time for siesta you can watch them to go/pass by

Beautiful faces, no cares in the world/word

Where a woman/girl loves a boy and a boy loves a women/girl

Last night I dreamt of San/Saint Pedro

It all seems like yesterday, not far away/way

Tropical the iceland/island breeze,.....
